RiskQual Technologies, Inc. **YES Event Reporting TRAIN/TESTING ONLY – READ ME**

The Yellowstone Event System (YES) powered by RiskQual provides a TESTING MODULE that can be used for practice entries and for new employee/nursing orientation.

The link to the hastest site is: https://risk.yellowstoneinsurance.com/HASTEST/Login.aspx

Each Yellowstone facility is setup with particular Test Only users to allow you to enter practice incidents or complaints as well as enter manager follow up.

Contact your Risk Management Department for details on how your Test/Train users are setup.

Any Questions

Contact your Risk/QI Manager for System Questions/How To on this TEST site for your hospital.
